EXPERIENCE

Facillima Software Pvt Ltd— Senior React JS Developer

APR 2023 - PRESENT

Currently, I am working here as a Senior React JS developer and mentoring a team of React JS. As a senior member of the team, I have taken a leadership role in guiding and mentoring fellow React JS developers, fostering an environment of collaboration and knowledge sharing. Conducted regular knowledge transfer sessions and code reviews to maintain high standards of coding practices within the team

Mobitplus Technology, Indore — React JS Developer

Dec 2020 - APR 2023

As a React JS Developer at Mobitplus Technology, I have demonstrated proficiency in leveraging cutting-edge React JS technologies to build robust and scalable front-end solutions. Led and mentored a team of React JS developers, fostering a collaborative environment focused on innovation and best practices. My journey at Mobitplus Technology has been marked by a commitment to excellence, a passion for innovation, and a dedication to the growth of both projects and team members.
